May 20 the Yellowstone Country guides will be here and will have new flyers for the kiosks. New calendars will be out by October. A new website for Yellowstone Country is in the works and a calendar of events and activities is needed for this. A fishing access site brochure for all of Yellowstone Country is being created now. There is a possibility of other brochures such as: day trips, 4 wheeler access. Horseback riding, hiking trails, and rafting areas. Yellowstone Country needs one more board member from SG County. We would like to have a tepee at the VC in the summer. VC hours may be changed to accommodate early morning and evening travelers. We need to look at the times when visitors stop in. There will be a book compiled with info about SG County and membership info explaining what each chamber member has to offer. This book will be for use at the VC to better inform visitors. A neon open sign will be looked into for the VC. The stove at the VC isn't working properly. Mike C. will look at it. There needs to be a way to determine availability of lodging on busier weekends in town.

Meeting was adjourned at 12:30 p.m.

Respectfully submitted,

Lisa Fauth Wagner, Chamber Secretary
